2	Kiragaval ...	Construction of the Kanikamma Temple at Kirgaval, Malavalli Taluk.	3,700	185

1. The contractor shall quote for each individual item of work both in words and figures in the estimates and the rates quoted shall hold good till the works are completed. The rates quoted should include provision for payments of Sales-tax, Royalty or any tax due to Government.

2. Monthly progress should not be less than Rs. 10,000.

3. No conditional clause will be accepted.

4. No cheques will be accepted for earnest money and no request for the adjustment of amount due by the Government can be entertained.

5. Plans, estimates and other particulars regarding rates, etc., can be had for inspection in the Office of the Executive Engineer, Malavalli Division, Mandya, on all working days between 2 P.M. and 5 P.M.

6. The successful contractor shall bind himself to abide by the departmental rules and specifications in force and shall execute the necessary 'Mutchalika' within seven days from the date of intimation of acceptance of his tender, failing which, his tender will be cancelled unconditionally and his earnest money will be forfeited.

7. Tenders will not be considered unless they are in the prescribed form which will be supplied on payment of Re. 0-4-0 at the Office of the Executive Engineer, Malavalli Division, Mandya.

8. Each tender should be accompanied by a treasury challan for Rs. 3,675 and 185, respectively as earnest money paid at a Government Treasury under "40 (i) Remittances—Payments into Treasury by P.W. Officers" (Malavalli Division).

9. The final acceptance of the tenders will rest with the Government. For non-tendered items of work, the minimum schedule rates will be given, if the items are scheduled items. Otherwise, data rates arrived at with reference to minimum schedule with 10 per cent contractor's profit on non-scheduled items will be given. Contractor's profit will not be allowed on the cost of materials supplied by the Department.

10. The cost as per current rate of cement and steel or value at the controlled rates at the time of execution will be recovered from the bills in case they are supplied departmentally. The materials can be had from the nearest departmental stores. An additional 10 per cent on the cost of the materials supplied from the Department will be charged as centage.

11. Reserves and earnest money deposits will be repaid only at the time of settlement of final bill.

12. For bailing out water, the department does not take the responsibility in supplying the machines, etc. The contractors may quote rate for bailing out water (including machinery, etc.).

13. Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

14. The term 'Specification' mentioned either in the schedule or in the estimate or in the notified items would mean "specific items of works to be done according to the instructions of the Public Works Department with reference to design, calculations, etc., furnished during execution" and no higher rates than tendered ones will be paid.

15. The department does not undertake to supply lorries to the contractor.

16. Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

17. The works should not be sublet.

18. The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries, sand bags and necessary precautions from flood damages. No extra amount will be paid for any of the above items.

19. If there is to be any alteration in the percentage of reinforcements, no higher rate will be paid, but only extra cost of reinforcements used will be paid at controlled rates with 10 per cent centage. Binding and fabrication charges with profits will however be paid at schedule or data rates.

20. The percentage of reinforcement mentioned means the percentage which the reinforcements bear to the volume of concrete.
